

Eagle Scout Project For Helping Strays

Helping strays, with the help of scout **Jack Roider**, will be building a memorial brick patio at Helping Strays' location on 4221 Hanover Rd, Columbia Illinois as an eagle scout project.

Helping Strays will be selling bricks to be engraved and placed into this small patio. These engravings could include messages to past pets, memorializing current or past pets, messages of appreciation to Helping Strays, etc.

Bricks are **\$250** and are being sold now until all bricks are gone. These bricks will be sold on a first come first served basis and donations to this project or helping strays in general are always appreciated. The memorial path is due to be put into place at the beginning of December 2024.

Please feel free to contact us with any interest in bricks or questions on the project.
